

GANNON UNIVERSITY

BELIEVE IN THE POSSIBILITIES

GU

What's New at GU

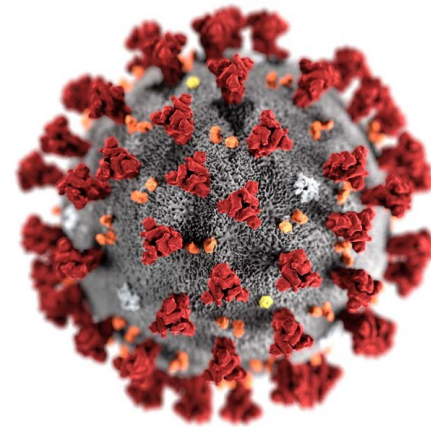

- iHack
 - Cybersecurity and Cyber Engineering academic programs
 - New Partnership – Extreme Networks Regional Training Center
 - Provides \$12 million value over 10-year agreement
 - Opportunity for students to receive industry certifications throughout coursework

COVID -19 Update

- Erie is a smaller city and has very few cases of COVID -19, not like New York City or other areas
- Global Admissions is continuing to accept applications as normal
- We are still planning on our Fall intake as normal

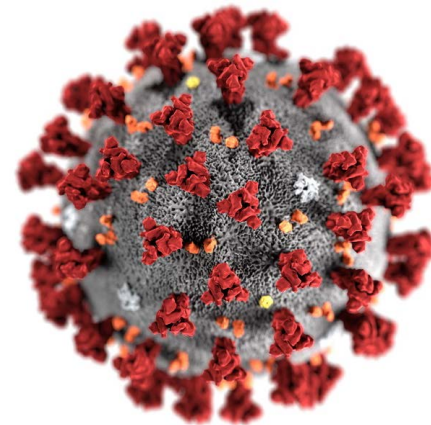

COVID -19 Update

Temporary Admissions Changes

- Because of difficulties in mailing documents, we are temporarily authorized to email admissions documents, including I -20s, directly to students.
- Students will not have to pay a shipping fee while we do this

STEM MBA

STEM Approved

Qualifies for up to
3 years OPT

No GMAT required
(unless GPA is under 3.0)

3-year Bachelor
Degrees Accepted

3-YEAR BACHELOR DEGREES

Admitted Directly
To Masters

Acceptance letter and
