Why Sinclair?

Sinclair is the perfect place to complete your associate’s degree, train for an in-demand career field, or just follow your passion. Sinclair has been serving the community and region for 128 years and, with over 220 regionally accredited programs to choose from, Sinclair graduates are prepared to transfer to a four-year university or enter the region’s workforce with the skills needed for success. And they are making that transition with the most affordable tuition in the state of Ohio which translates to little or no student debt!

What makes Sinclair special? Our nationally ranked faculty are committed to student success. With a student/faculty ratio of 19:1, you will get to know each of your faculty members in an engaging classroom environment and feel a part of the Sinclair community. While at Sinclair, you will have the opportunity to be actively involved in internships, co-ops and clinicals which are equipping Sinclair graduates for bright futures with increased earning potential.

Sinclair can be the Best Road to Your Future!
